Subject: House Bills 5450, 5749 and 5750

I am writing to you as I am unable to attend the Senate Judiciary hearing today in regards to House Bills 5450, 5749 and 5750. As the president of the Michigan Airgun Alliance I am fully in support of these bills and am looking forward to their swift passage for our Governor to sign into law. These bills are an important step in opening the economic doors to interstate commerce on airguns. Many of my members and businesses are shackled by the current laws and have expressed great joy in knowing that purchase and transport of airguns will be made easier, while at the same time acknowledging the respect and training that must still be given these devices.

Thank you for your support of this package of bills.

Tom O'Brien
President, Michigan Airgun Alliance
